

# Wide LCD Monitor 18.5"

MODEL NAME  
**W1943T**

## Your Gateway to Originality

No more putting up with unrealistic images.

With its significantly expanded 16:9 screen size and superior Full HD picture resolution the new W43 monitor from LG gives you reason to believe in life after distortion.

Add to this an impeccably beautiful glossy finish and your world of entertainment never looked so good. Witness the clearer picture you always wished for.
