SPEAKER VIDEO INTERCOM WITH 5" AND 7" TOUCH SCREEN DISPLAY

COMPATIBLE SYSTEMS

X1   XiP   IP360

Recess mounted
11 mm thick

Wall mounted
24 mm thick

Video intercom version

7" display

5-inch display

Version for the hearing impaired

Speaker audio

Do you want a design product full of technology? Choose XTS.
This is the new range of video entry panel systems, available with 7 and 5-inch monitors - fully touch screen. The minimal design and quality of the materials exalt its elegance, whether you choose the white or black version. The high-resolution glass screen with Optical Bonding technology ensures perfect viewing in all lighting conditions. Having WiFi, both in the X1 and IP versions, makes it the choice for managing the video intercom system and opening the front door from a smartphone.

PLUS

Full-duplex speaker audio

Capacitative touch screen

Display with Optical Bonding anti-glare technology

Auxiliary/porter calls functions

Intercom calls

"Panic" key for emergency calls to the porter

Adjust/exclude ringtone (with alert LED when excluded

Self-inserting video from entry panels

Video answering service and video recording
Local or POE power supply

AVAILABLE VERSIONS

Recess mounted

Wall mounted

DIMENSIONS (MM)

185

129

138

98

PLUS

- Full-duplex speaker audio
- 7″ TFT display Full touch-screen with Optical Bonding anti-glare technology for enhanced readability in brightly lit settings.
- RJ45 port for directly connecting to the Ethernet
- On-board WiFi for remotely controlling calls
- Local or PoE (Powered over Ethernet) power supply
- Customizable user interface with UI Creator software
- Up to 19 mobile devices for managing the system from any remote location
- Configurable quick controls (default main entrance door-opener)
- List of AUX commands for activating auxiliary functions
- "Panic" function for emergency calls to the porter (if present on the system)
- Exclude ringtone key (the alert LED lights up when silenced)
- Self-inserting video of entry panels with cyclic selection
- Unlimited intercom calls to other receivers and mobile devices
- Contacts list and favorites list
- Video answering service, stores up to 100, 10-second audio and video messages.
- Audio and video recording during conversations
- Send and receive text messages to and from the porter or other monitor extensions
- Live feeds of the connected IP video cameras
- Automatic opening function during business hours
- Standard SIP protocol, codec video H.264, codec audio G711
- On-board web server for configuring and managing via the browser
