DR3025	Dock Bumper Rubber Laminated	300 x 254 x 114mm

Strike Face Loading Dock Bumper

NEW
IN 2019

The Strike Face Bumper is an upgrade alternative to our standard D-Section dock bumpers. They consist of a solid rubber body with a heavy duty 8mm thick aluminium strike face which spreads the impact throughout the rubber cushion and protects the rubber.

Product Features:

- Interchangeable with our existing 100mm D-Section bumpers
- Solid premium quality rubber body
- Tough 8mm thick extruded aluminium strike face
- Replacement strike faces simply slide over rubber body
- Available in 910, 610 and 300mm lengths
- Bodies and strike faces can be purchased separately
