KRG800 Fold Down Bollard

KRG800 Fold Down Bollard is designed to protect and secure car spaces and control road access ways where manual operation is suitable. The KRG800 Fold Down Bollard has a simple padlock design and stands at 800mm tall when in the locked position. The KRG800 Fold Down Bollard is only 80mm when laid in the down position. The KRG800 Fold Down Bollard is available in a surface mount or optional below in ground kit for non concrete substrate installations. The KRG800 Fold Down Bollard is available in a powder coated finish. The KRG800 Fold Down Bollard comes with an optional broad 150mm reflective sticker for increased night time visibility and traffic safety.

Uses Padlock to Secure
